Lighting the Advent Wreath - Candle of Hope

One: This year has been devastating...

All: Wildfires, hurricanes, shootings, turmoil, pandemic, divisiveness

One: It would be so easy to give in to apathy,
to let our hearts grow dark with despair.

All: But there is a light shining in the darkness.

(the candle is lit)

One: A single candle, a small voice, a still reminder...

All: Hope.

One: Hope in the Word proclaimed by the prophets.

All: Hope.

One: Hope in the Promise of Emmanuel.

All: Hope.

One: Hope in the birth of our Savior.

All: Hope.

Confession and Assurance

Confession Loving God, we know that nothing is able to separate us from your love and the love of Jesus. There are times we neglect to attend to that unending love that binds us together. Help us when we step away from a path that leads to you.

Assurance Come, Jesus, to show us again a love that has no bounds. Come, Jesus, to offer a path of grace and welcome that is modeled by you in word and deed. Come, Jesus, to encourage our love to be generously spilled over into the lives of all people created in your image.
